#### **Residency Verification Statement:**

The School District of the Menomonie Area requires that all students attending our schools be bona fide residents of the district. To be a bona fide resident, a student must be living with a parent or legal guardian by court order who is a resident of the district.

Registration of a student who is not a resident is a fraudulent act. Any student found to have been fraudulently registered will be removed immediately. Parents or guardians making a fraudulent registration will be charged tuition for the time the child has been in attendance.

I certify that I understand the residency requirements and that I know the penalty for fraudulent registration.

#### 4K Immunization Information for 2024-2025 School Year

Dear Parents/Guardians of 4K Students:

Before your child enters preschool this Fall, please be aware that the Wisconsin Immunization Law requires one Varicella (chickenpox) vaccination (for children 2 through 4 years) or two varicella shots (for children 5 years old and up) or the date your child previously had the disease. Although thought by some to be a harmless disease, Varicella can result in serious complications including bacterial skin infections, Reye Syndrome (a neurologic disorder), encephalitis, and meningitis and can be fatal.

Also, please be aware that required immunizations also include (for students ages 2 through 4 years old) 4 doses of DTP/DtaP/DT vaccine, 3 doses of Polio vaccine, 3 doses of Hepatitis B vaccine, and 1 dose of MMR vaccine. Children 5 years of age or older who are enrolled in a Pre-K class need 4 doses of DPT/DtaP/DT (with either the 3<sup>rd</sup>, 4<sup>th</sup>, or 5<sup>th</sup> dose on or after the 4<sup>th</sup> birthday – a dose 4 days or less before the 4<sup>th</sup> birthday is also acceptable, 4 doses of Polio vaccine (or a 3<sup>rd</sup> dose after the 4<sup>th</sup> birthday – a dose four days or less before the 4<sup>th</sup> birthday is also acceptable), 3 doses of Hepatitis B vaccine, and 2 doses of MMR vaccine. The first dose of the MMR vaccine must have been received on or after the first birthday – a dose 4 days or less before the 1<sup>st</sup> birthday is also acceptable.

The date (month, day, and year) of each immunization must be entered on the Student Immunization Record that is enclosed and also available from your child's school or the district office. This form should be submitted to the Menomonie School District Administrative Service Center. Please see the Student Immunization Law Age/Grade Requirement for the 2024-2025 school year.

Waivers are available for religious, health, and personal conviction reasons. However, in the event of an outbreak of a vaccine preventable disease, student with waivers may be excluded from school until the outbreak subsides.

You are encouraged to have your child immunized well in advance of school opening to avoid the late summer rush at immunization clinics. For immunizations, contact your doctor, clinic, HMO or the Dunn County Public Health Department (715) 232-2388.

You may view your child's immunization record from your computer on the Wisconsin Immunization Registry (WIR). The WIR is a secure computerized data system that tracks immunizations given to people. The internet address is <u>http://dhfsWIR.org</u>. To obtain the dates of your child's immunizations, type in your child's name, social security or Medicaid number. In order to access your child's record their social security number must be in the system. If it is not, contact your medical provider and ask that the number be put into WIR so that you can access your child's immunization record. Address information about your child is not provided.

| Subject: | 4K/5K Kindergarten Eye Health Examination          |

A current Wisconsin law requires schools to request that each pupil entering 4K/5K Kindergarten provide evidence of an eye examination by a physician or optometrist. The law (s.118.135, Wis. Stats.) was created as a result of the governor's budget bill, 2001 Act 16, section 9143.

Basically, the law requires each school district to:

- Request or suggest that kindergarten students have an eye examination; and
- Provide the parent/guardian with a copy of the form (enclosed)

Parents/Guardians of incoming 4K/5K Kindergarten children are instructed to ask their physician/optometrist to complete the form and return it to their school by December 31, 2024.

To minimize any potential financial barrier to obtaining an exam, members of the Wisconsin Optometric Association have agreed to provide free examinations for qualifying families. You are encouraged to contact the association for more information at 1-877-435-2020. In addition, local Lions Club organizations have a long history of providing financial resources to enable families to purchase glasses.

The benefits of early identification and management of children's vision problems are numerous. If you have any questions you can reach me at 232-2609 x 41104.
